

SALLY'S PATCHWORK

The evil Dr. Finkelstein has cut up Sally's square patchwork quilt into pieces! Sally is held together with magic, so help her sew the quilt back together which is known to have 87 stitches in every row in all directions. You may be happy to know what Sally's sewn secret is!

D E A D
— — — —

SOLUTION:

This is a magic square puzzle.

Cut out each of the patches and use the starter segments to place the patches into the correct place so that each row (horizontally, vertically and diagonally) adds up to the same number (87).
