

## ANSWER SHEET

*Hints are always FREE!*

You now have reached the secret location (this pub or bar) to meet up and recruit the A-Team. Each member is wary of who you are so you will need to discover a code word to contact each one of them.

It turns out that there others at this location wanting to contact the A-Team as well for the same reasons. It might be helpful to communicate with them for intelligence information from time to time as you proceed tonight.
